# Arise Vendor

**This is Hidden Acres' fourth year to host the Arise Spring Festival.**

Hidden Acres is a faith-based organization that seeks to draw people closer to the Creator through its programming. This Arise event is a way for our ministry to serve our community and fulfill our mission to be a place set apart to experience Christ, expand community, and equip leaders. For this reason, we desire that our vendors' values align with our own.

**Here is some general info if you are interested in becoming a vendor.**

- Hidden Acres is located in the Ola area of Kaufman between Kaufman and Canton.
- Our event has free entry, free parking, and free camp activities which include canoeing, paddle boats, archery, and bazooka ball. We also provide guests with a ticket for a free hotdog meal (donations welcome).
- Vendors are set up in the Camp Conference Center and outside of the Conference Center. Below is an aerial view of the area. There are only 10 indoor spots available and though we have 20 outdoor spots listed we have room to grow outdoors.
- Indoor spots are \$35
- Outdoor spots are \$25 ( Outdoor spots are available for free for non-profits)

**THANK YOU FOR YOUR PARTNERSHIP.**

CHRISTIAN CAMP & RETREAT

Dear Hidden Acres Supporter:

I would like to start by thanking you for taking the time to read this letter and taking an interest in the impact being made at Hidden Acres. Hidden Acres is a 501(c)3 non-profit Christian Camp and Retreat. We were established in 1984 to support churches, and ministry leaders, and to share God's love with children through the summer camp ministry. We believe camp ministry can make a huge impact on a child's life. When children get out of their routine and are surrounded by young people who can show them what the joy of the Lord looks like, and experience time with God and in His creation they can come to a deeper understanding of God's love for them.

Hidden Acres has a special place in their heart for children who may not have the financial resources to be able to attend summer camp. This includes the fatherless, the refugee, the inner-city, the child with incarcerated parents, and children in the foster system. Every child should have an opportunity to participate in summer camp.

In 2021, we started a community outreach event called the ARISE Festival. Last year there were over 400 participants. This year we are hoping to have over 500. This is a free family-fun event with camp activities, food, and games while surrounded by God's beautiful creation. We also partner with local vendors to help support their businesses.

We are looking for businesses to help us continue to provide camp opportunities, but also to provide events such as the ARISE festival for the community. Would you consider being a sponsor of our event? These funds will not only help us to reach out to the community but also continue building our summer camp scholarship program.

Please consider being a sponsor! We have five sponsorship levels but you are more than welcome to give any amount whether that's five dollars or five thousand. You can learn more on our website at [hiddenacres.org](https://hiddenacres.org).

Feel free to contact Christy Cope, our Arise Spring Festival Sponsor Coordinator, with any questions at 214-641-5983 or email her at [arise@hiddenacres.org](mailto:arise@hiddenacres.org)

Thank you for being an advocate for the families and campers that Hidden Acres ministers to. We are hopeful for a brighter future.

Warm regards,  
Tim Carpenter  
Executive Director, Hidden Acres
